

## 2018 Quilting Class Schedule

### **Thread Painting II - Owl Quilt**

**Teacher – Dyane Dezainde**

**Tuesday, October 9th**

**1:00-4:00pm**

**(1 class)**

You will love making this project so much that you won't be able to make just one! Fusible applique and thread painting techniques are used in this class. Make a small wall hanging or mount your project on to a stretched canvas for a different look. Come and join us for this second fun and creative thread painting class.

Class \$20. See supply list for extra requirements.

### **Explorer Bag**

**Teacher – Carol Smith**

**October 12 OR 13 (Friday or Saturday)**

**930am-130pm**

**(1 class)**

This little gem of a bag is great for explorers of all ages and genders. It has just enough room for the essentials, and won't weigh you down. Use the precut foam rectangles for quick results. Feature a fun fabric, or add the camera applique that is included with the pattern. The bag features an adjustable strap, and could have a pocket or other embellishment on the back. Fully lined, and finished nicely, this would make a lovely Christmas/birthday/Mother's Day or any day gift!

Class \$25. See supply list for extra requirements.

### **Chopsticks Quilt**

**Teacher – Paige Dickey**

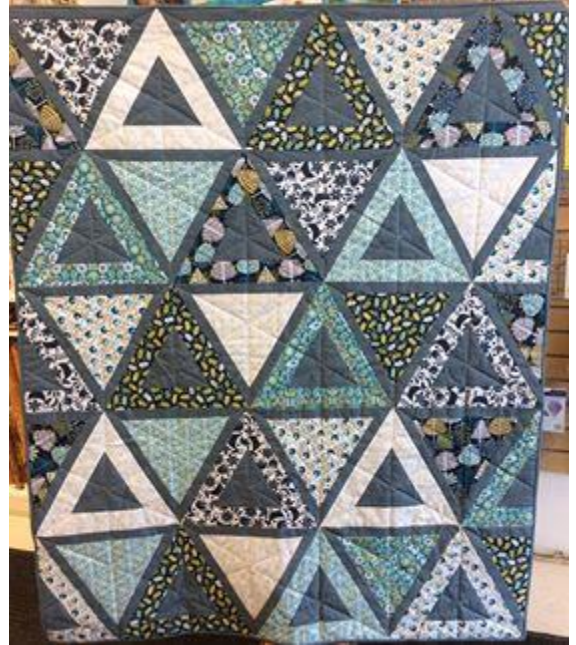

**Monday, October 15 & 22**

**1-4pm**

**(2 classes)**

This is a fun and quick quilt that really showcases the fabrics you choose. A 60 degree ruler helps you to construct your 'blocks'. The pattern includes instructions for baby size quilts right up to a king size. A perfect gift for the holidays!

Class \$55 (Includes ruler & pattern). See supply list for extra requirements.

### **Blue Lagoon Quilt**

**Teacher – Carol Smith**

**Tuesday, October 16 & 30**

**1-4pm**

**(2 classes)**

This pattern takes you on a fun, easy journey of strip piecing and basic patchwork to the fabulous destination of this 62 x 62 inch quilt. The design requires 10 different blocks, but they are not complicated; there are no triangles or set-in seams. You will be asked to cut your fabrics at home before class to save time.

Class \$35. See supply list for extra requirements.

### Layer Cake – Cake Mix Quilt

Teacher – Sylvia Shackles

Thursday, October 18

530-830pm

(1 class)

Have you tried Moda's Cake Mix recipe cards yet? They are recipe cards that make piecing easy! The cards help you sew and cut your 10" square precuts into half square triangles and then combine to make beautiful quilt blocks. Simply choose a Cake Mix pack with your favourite blocks! In this class you can make 1 lap sized quilt or 2 smaller baby quilts using one Layer Cake.

Class \$20. See supply list for all requirements.

### Embroidered Notions Keeper

Teacher – Paige Dickey

Monday, November 5, 12 & 19

1-4pm

(3 classes)

I always enjoy working on a hand sewing project in the fall/winter months. By using simple embroidery stitches and hand quilting this sweet little project makes a lovely accessory to hold all your sewing notions. It has LOTS of pockets and it folds up neatly showing off the hand-stitched squirrel and leaf pattern. In this class, you will also learn the technique to make the decorative cording which accents the notion keeper. Grab a friend or two and enjoy sewing together with a cup of tea and some laughter in the afternoons!

Class \$25 + book \$34. See supply list for extra requirements.

### **Charm pack – Cupcake Mix Quilt**

**Teacher – Sylvia Shackles**

**Thursday, November 22**

**530-830pm**

**(1 class)**

Similar to Moda's Cake Mix recipe cards but using 5" squares or 'Cupcakes'. The Cupcake recipe cards make piecing easy! The cards help you sew and cut your 5" square precuts into half square triangles and then combine to make beautiful quilt blocks. Simply choose a Cupcake Mix pack with your favourite blocks!

Class \$20. See supply list for extra requirements.

### **Lemoyne Star**

**Teacher – Sylvia Benvie**

**Fri Nov 16 and 23**

**OR**

**Sat Nov 17 and 24**

**1-4pm**

**(2 classes)**

If you have shied away from making Lemoyne Stars because of all the seams, this ruler will dissolve your fears. The Rapid fire construction technique and trim-down tool makes a perfect star from as small as 3" up to 12". For those who have already tried this tool, the "Autumn Star Table Runner" can be easily assembled using two sizes of stars. With different colour choices you can make a runner for each season. Let's see what magic you can make happen.

Class \$35. See supply list for extra requirements.

### **Sampler Tuffet**

**Teacher- Tammy Spencer**

**Tuesdays, November 13, 20, and 27**

**1-4pm OR 5-8pm**

**(3 classes)**

Are you ready to master the tuffet? Back by popular demand Tammy Spencer will provide all the instructions, tips, and techniques to create your own tuffet masterpiece! With blocks from the Farm Girl Vintage book, the cover for this tuffet design is made so that it has a nice fit but can also be removed easily for washing or changed to a different cover!

Class \$85 + Tuffet Kit \$85

See supply list for all requirements.

### **Note:**

All classes must be prepaid prior to the class. There are no refunds as class teachers are booked based on your commitments. If classes are cancelled, you will be refunded or issued a credit for another class. Be sure to pick-up your supply list when you sign up for a class or have one emailed to you. All classes that require the use of a sewing machine assume that your machine is in good working order and that you understand the workings of your machine. If you require repairs or a "tune-up", we service all makes and models.
